

17TH INTERNATIONAL CONGRESS OF INTENSIVE CARE MEDICINE

INTERSECTIONAL MEETING OF CROATIAN
AND SLOVENIAN INTENSIVISTS

Dear colleagues,

It is my great honor and pleasure to invite you to the 17th International Congress of Intensive Care Medicine, which will be held in Umag at the Hotel Pelegrin, October 1st - 3rd, 2026., and will be organized by the Croatian Society of Intensive Care Medicine of the Croatian Medical Association.

The Croatian Society of Intensive Care Medicine has been maintaining the continuity of professional and scientific education for many years, always striving to bring new knowledge to its members, whose implementation has consistently contributed to the advancement of intensive care medicine.

We are pleased to present a comprehensive program covering key advances in intensive care medicine, including: hemodynamic monitoring, sepsis and blood purification, ICU infections, fluid management, coagulopathies, analgesia and sedation updates, and end-of-life care in ICU.

The Congress will feature invited lectures from leading national and international experts, alongside a dedicated session for short oral presentations.

The official languages are Croatian and English. The event will be accredited by the Croatian Medical Chamber.

A joint meeting of Croatian and Slovenian intensivists will be held as part of the congress program.

We are honored by your participation, which will help strengthen collaboration within the intensive care community. Sharing knowledge and experience is essential to our collective progress and success.

Additional information about the congress is available on the official HDIM website - <http://hdim.hlz.hr/>. Hotel accommodation and registration fees are available in the registration form.

We warmly welcome you and look forward to your involvement in the Congress.

Congress chairwoman:

President of the Croatian Society for Intensive Care Medicine

Prof. Jasminka Peršec, MD, PhD
